

ACCESS Science

McGraw-Hill AccessScience

Prices effective FY July 1, 2011 - June 30, 2012

You must be an MLNC member to subscribe at the discounted price.

The price for an AccessScience subscription is **\$0.38 per weighted FTE** (Full Time Equivalent).
\$465.00 minimum subscription fee

To apply the FTE measurement to multiple types of libraries, a weighting factor is used. The chart below shows the weighting factors used by McGraw-Hill to convert FTEs for pricing. On the order form, note the full FTE or population served for your institution. McGraw-Hill will convert the FTEs using the following weighting factors.

Type of Institution	Weighting Factor
4-year colleges & universities	100% of FTE enrollment in previous semester
2-year colleges	For Renewals: 50% of FTE enrollment in previous semester For New Orders: 100% of FTE enrollment in previous semester
Secondary schools (grades 9-12)	75% of enrolled students
Secondary schools (grades 6-8)	25% of enrolled students
Public libraries	5% of total population served
